

The members of VFW Post 711 remind us that the loyal, patriotic citizen expects no great reward for coming to his country's aid. On the contrary, a devoted patriot seeks only that his country flourishes.

When it comes to honoring their country, their faith, and their comrades, the veterans of post 711 have demonstrated both the wisdom to know the right thing to do, and the will to do it. Truly, they have lived up to the obligations of loyalty, patriotism, and service.

To be a loyal citizen means to achieve a high standard of caring seriously about the well-being of one's Nation. I am proud to honor and praise VFW, Post 711 for exceeding this standard. Congratulations for your 75 year history of community pride and American patriotism.

AGRICULTURAL WATER DELIVERY ACT

HON. MICHAEL D. CRAPO

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 25, 1996

Mr. CRAPO. Mr. Speaker, I rise today to introduce legislation to help remedy a problem that is particularly burdensome to the water delivery companies in the West. Like many seasonal businesses, complying with the Fair Labor Standards Act has become a huge burden to both water delivery companies and their employees.

Irrigation has never nor will it ever be a 40 hour a week job. During peak agricultural months, water must be managed and delivered continually. Later in the year, the work load is light, consisting mainly of maintenance duties. Time off and winter compensation have been the methods of compensating for overtime during these peak agricultural months. Instead of being allowed to offer their employees winter compensation or time off, water delivery companies must now lay off water delivery personnel after the peak agricultural months.

Under current law, contained at 29 U.S.C., sec 213(b)(12), an exemption from the maximum hour requirement exists for employees hired to work in conjunction with water delivery companies that deliver water "exclusively" for agricultural use. This exemption was designed specifically to address the unique problems faced by water delivery companies when complying with the Fair Labor Standards Act.

Under the current interpretation of the law, water delivery organizations must deliver their water "exclusively" for agricultural purposes to qualify. For many water delivery organizations who deliver a small portion of their water for nonagricultural purposes, this interpretation has been disastrous. They are unable to benefit from the exemption even though it was designed with water delivery companies in mind.

I am introducing legislation that would expressly set the requirement of water to be ultimately delivered for agriculture purposes at 75 percent. This adjustment more accurately reflects the realities of agricultural water delivery. It would also benefit agricultural employees by making it possible for employers to provide them with year-round compensation rather than seasonal wages.

IN HONOR OF CARMEN MALDONADO: WOMAN OF THE YEAR

HON. ROBERT MENENDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 25, 1996

Mr. MENENDEZ. Mr. Speaker, I rise today to pay tribute to Carmen Maldonado, a woman of distinguished character and grace. The Puerto Rican Society of Elizabeth, Inc. will honor her with its Woman of the Year Award on April 28 in Linden, NJ.

Mrs. Maldonado arrived in New York from her native Puerto Rico in 1950. While living in New York, she met and married Sal Maldonado and later moved to Elizabeth with their children Edgar, Joseph, Carmen, and Edna Isabel. Shortly thereafter, Mrs. Maldonado began working with the Elizabeth Board of Education. For a quarter of a century, she has dedicated herself to improving our educational system. As a liaison between the community and the school district, Mrs. Maldonado interacts with the students, parents, and teachers to create a better environment for our school children.

Mrs. Maldonado genuinely cares about her community. She dedicates her energy to various community services that aid the citizens of Elizabeth. For example, Mrs. Maldonado devotes her time to improving city services for the elderly as a board member of Community Services for Senior Citizens. Her charitable commitment to the community does not stop there. She is also involved in improving the educational needs of the adult community, an active member of P.R.O.C.E.E.D., Inc. and president of the local Y.M.C.A. With her busy schedule as a full time mother and career woman, Mrs. Maldonado still finds time to help her community.

In addition, Mrs. Maldonado is a member of other organizations, including the Puerto Rican Society of Elizabeth, Inc. and Saint Patrick's School and Church. Over the course of her distinguished career, Mrs. Maldonado has won many awards. She has been honored by the Hispanic Association of Saint Patrick's and has received the Elizabeth Port Pride Day Good Neighbor Award.

Mrs. Maldonado's commitment to the people of Elizabeth exemplifies the true meaning of compassion, dedication, and service. I ask my colleagues to join me in honoring Mrs. Carmen Maldonado, an outstanding individual.

IN COMMEMORATION OF THE 25TH ANNIVERSARY OF FOSTER CITY

HON. TOM LANTOS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 25, 1996

Mr. LANTOS. Mr. Speaker, I rise today, on the 25th anniversary of the founding of Foster City, CA to pay tribute to the city and its citizens for building an exemplary community.

Foster City was originally founded and developed by T. Jack Foster. In 1960 he acquired the 4 square miles known as Brewers Island in order to begin building a vision that today we honor as a dream fulfilled. The original concept was to develop a balanced com-

munity able to function physically, economically, and socially to meet the needs and desires of its residents.

A massive construction operation was necessary to convert the land into a new city of the future. Eighteen million cubic yards of fill were necessary to provide gradient for the storm water runoff and cover for the utility lines as well as support for the buildings. Two hundred and thirty acres of lagoons had to be created to collect the storm water and hold it for pumping into the Bay. Drinking water was later brought to Foster City through the City of San Mateo from the San Francisco water system.

Foster City faced a number of adversities both political and physical. The engineering challenge of creating Foster City from the marshlands of Brewer's Island required enormous financial backing, but this did not deter its developers. For 5 years the Foster City Community Association fought an intense legal battle with the district board to obtain incorporation of the city. Despite the daunting task, the citizens of Foster City overcame the mire of bureaucracy to deliver on a promise that T. Jack Foster had originally envisioned. On April 27, 1971 Foster City was incorporated thus establishing a council/city manager form of local government with a five member city council. By 1971 there were more than 10,000 residents of this emerging community, and they voted to incorporate as a city. Since that time, public facilities, commercial developments, and new homes have continued to be built.

Foster City is a community of people dedicated to the purpose of education and maintaining the quality of life of the community. In keeping with these commitments, 1996 marks the opening of a new library, a remodeled recreation center, and an updated Brewer Island Elementary School. Foster City remains a planned community today—dedicated to the fundamental values that ultimately enrich America as a whole.

Today, Foster City is widely regarded in the San Francisco Bay Area as one of the pre-eminent communities in which to live. Prosperity has come with stability. It is the proud home of over 30,000 people. It is especially meaningful for me to be able to rise today on behalf of each of those citizens to pay tribute to the city they call home.

Mr. Speaker, on this day, I invite my colleagues to join me in honoring the celebration of Foster City's Silver Anniversary, and I invite my colleagues to join me in congratulating the community of Foster City for its admirable accomplishments and outstanding determination.
